### 75th Anniversary

*At the heart of the Texas spirit lies an abiding desire to serve our fellow man, and the Houston Chemical Association has embodied this philanthropic impulse since 1949. Guided by an interest in building the next generation of Texas leaders, your organization has provided scholarships to high school students and has no doubt changed countless lives for the better.*

*Throughout your illustrious history, you have striven to create educational opportunities at vocational schools and colleges, and you have made tremendous progress on this front. As the Lone Star State continues to lead the way in technical and economic advancements, it is imperative that our students be equipped to take their place on the world stage.*

*For seventy-five years, you have upheld the very values and vision that first called the Houston Chemical Association into being, and your longevity speaks volumes about your dedication. The Lone Star State will no doubt reap the fruits of your labor for years to come, and consequently, you will have a key role to play as we work together to build the Texas of tomorrow.*

*On this special occasion and hereafter, I hope that you feel deep satisfaction in the impactful work you have done and that you look to the future with renewed enthusiasm. You have thus far made Texas a better, brighter place, but I have full faith that the best is yet to come.*

*First Lady Cecilia Abbott joins me in extending best wishes.*

*In testimony whereof, I have signed my name  
and caused the Seal of the State of Texas to be  
affixed at the City of Austin this the 7th day  
of October, 2024.*

Greg Abbott  
Governor of Texas
